

Live the Life **You Desire**

At Consumer Direct Care Network Minnesota, we offer high quality customer service statewide. We succeed by supporting participants with Minnesota-based knowledge and experience. We maintain personalized contact with participants and caregivers, and provide them with additional support as needed.

There's no way around it, our team becomes your team. We are proud of the collaborative relationship our staff cultivates.

At the Care Network **you can expect:**

- Responsive customer service
- Accurate and timely payroll processing
- Secure online access for time entry and spending information
- Local expertise, national experience
- Workers' compensation
- Compliance with state and federal rules and regulations

We are here to meet your needs.

**At the Care Network, we look forward to working with you.
