

Your Partner for Self-Directed Success

You have spent a lifetime making your own decisions. Your in-home care, or care for a family member or loved one, should be no different. Our services allow you to determine the caregiver best suited to your specific needs. You have the central role in hiring, training and scheduling your caregivers.

We are here to meet your needs.

We Specialize in Self-Directed Services

EVERY LIFE. EVERY MOMENT. EVERY DAY.

CONSUMER DIRECT CARE NETWORK MINNESOTA

To provide care and support for people in their homes and communities.

Consumer Direct Care Network Minnesota provides superior customer service to individuals and families just like you, in every county throughout the state of Minnesota. We have helped thousands of people across the country succeed in self-directing their own quality care while remaining in their homes and communities.

At the Care Network, you can expect:

- Responsive customer service
- Accurate and timely payroll processing
- Secure online access for time entry and spending information
- Local expertise, national experience
- Workers' compensation
- Compliance with state and federal rules and regulations

Live Well and Independently at Home

At Consumer Direct Care Network Minnesota, we value the strengths and abilities of each person. Self-direction means you have more choice and control over the care you receive and the person who provides that care.

We contract with the State of Minnesota for those currently enrolled through Consumer Directed Community Supports (CDCS) or the Community Support Grant (CSG). If you are interested in services through the Consumer Direct Care Network Minnesota, please contact your Lead Agency or Managed Care Organization.

Our knowledgeable staff provides the resources and tools to help you or your loved one remain at home and independent, safe, and comfortable. We are here to assist you.
